Interim dividend per share (pence)	3.40	3.15
Proposed final dividend per share (pence)	7.85	7.60
Average number of employees	9,842	9,517

Ordinary shares in issue at 31 December 2025: 287,416,350 (31 December 2024: 291,032,800). The reduction reflects the share buyback programme completed in October 2025.

Chair’s statement (excerpt). “2025 was a year of disciplined growth. Group revenue passed £1.28 billion for the first time, and our Ocean Forwarding division continued to gain share in Northern European trade lanes. The Board is recommending a final dividend of 7.85 pence per share, an increase of 3.3% on last year.”

Note 3. Segment information

Figures in £ thousand.

Segment	2025	2024 (restated)
Road Freight	612,480	581,904
Ocean Forwarding	438,915	392,071
Warehousing	233,205	223,325
Group revenue	**1,284,600**	**1,197,300**

Note 4. Restatement of prior-year revenue

Following a review of contract terms, fuel surcharges collected on behalf of third-party hauliers are now presented net of the related cost. Revenue for 2024, as originally reported at £1,211.8 million, has been restated to £1,197.3 million, a reduction of £14.5 million. The restatement has no effect on operating profit, profit before tax or earnings per share.

Note 7. Dividends

The interim dividend was paid on 3 October 2025. The proposed final dividend is subject to shareholder approval at the Annual General Meeting on 14 May 2026 and will be paid on 5 June 2026 to shareholders on the register on 24 April 2026.

Brightwater Packaging Ltd Attn. Ms Fiona Grant, Head of Procurement Unit 7, Ashby Trade Park Leicester LE65 1JP United Kingdom

Bruchsal, 12 January 2026

Subject: Price adjustment effective 1 March 2026 – Framework Agreement No. KIC-2023-0187

Dear Ms Grant,

Thank you for your continued partnership. As announced in our letter of 4 November 2025, rising costs for steel wire and energy require us to adjust our list prices. The following prices apply to all orders received on or after **1 March 2026**:

Article	Description	Current price	New price from 1 March 2026
A-220	Stainless retaining clip, 22 mm	€4.85 per unit	€5.12 per unit
B-310	Spring washer M10, zinc-plated	€875.00 per 1,000 units	€912.50 per 1,000 units
C-045	Mounting bracket, galvanised	€18.40 per unit	€18.40 per unit (unchanged)

Please note that B-310 continues to be supplied and invoiced in packs of 1,000 units only.

In our November letter we had indicated a provisional new price of €5.25 per unit for A-220. Following the renegotiation of our steel supply contract, we are pleased to confirm the lower price of €5.12 shown above.

Page 2

Volume rebate. Under Clause 6.2 of the Framework Agreement, the volume rebate remains at **3%**. As before, the rebate is applied only to the portion of the annual net invoice value that exceeds **€250,000**; it is credited once per calendar year.

Planning basis. For your budgeting, we have used the quantities you ordered in 2025:

- A-220: 48,500 units
- B-310: 1,240 packs
- C-045: none ordered in 2025

Currency. Invoices to your US subsidiary continue to be issued in USD at the agreed fixed conversion rate of 1 EUR = 1.0835 USD. Invoices to Brightwater Packaging Ltd are issued in EUR.

Should you have any questions, please contact your account manager, Mr Jonas Weber, at +49 7251 9083-214.

Yours sincerely,

Dr. Katrin Albers Head of Sales, Kessler Industrial Components GmbH

CEO statement (excerpt). “We delivered more than 41 TWh to around 12.5 million customers in the first nine months, while lower wholesale prices weighed on revenue. Our grid investment programme is fully on track.”

Page 2 — Financing and Outlook (extract)

Bond issuance. On 2 July 2025 Meridian Grid Energy SE placed a green bond with a nominal value of €2.75 billion and a term of ten years. The bond carries a fixed coupon of 3.875% per annum, payable semi-annually on 2 January and 2 July. Proceeds are allocated exclusively to grid expansion and renewable connections.

In March 2025 the company had already issued a subordinated hybrid bond of €1.25 billion with a fixed coupon of 4.125% per annum, payable annually.

Grid investment programme. The Supervisory Board has approved a total investment of €6.25 billion in the distribution grid for the period 2025 to 2029. Of the €1,384 million capital expenditure in the first nine months of 2025, €1,102 million related to this programme.

Outlook 2025. For the full year, Meridian expects adjusted EBITDA of between €3.0 billion and €3.2 billion and net financial debt of no more than €15.5 billion at 31 December 2025.
